MATILDA BAY FACEBOOK

DEAR MINISTER

PAUSE THE PROCESS

Don't award the construction tender, and halt site works and the removal of 39 trees.

REVIEW THE DECISION

Perform a comparative review between JoJo's (Nedlands) Jetty and Matilda Bay, considering all operational needs.

PUBLISH THE REPORTS

Make the full safety and environmental assessments, plus comparative reports, public.

KEEP OUR KIDS SAFE

Consider the risk of a 64-tonne ferry motoring past or through a group of children in dinghies every seven minutes.

MOVE IT TO JOJO'S

Protect Sailability WA's disability sailing, river clubs, environment, river health and wildlife.

HOW TO TAKE ACTION

WRITE A LETTER

Send an email or letter to your local MP. Find letter ideas at safetyonswan.com.au/letters and make it personal.

REQUEST A MEETING

Call or email your local MP to request a meeting. The more MPs who understand the real issues and risks associated with a Matilda Bay ferry and terminal the better.

SEND A LETTER TO EDITOR

Write to your local or State newspaper to have your concerns heard. Keep informing the public.

COMMENT ON POSTS

Watch and respond to social media posts on Minister, news outlet and online media accounts.
